

COLLECTIONS & CURATORIAL INTERNSHIP

DESCRIPTION

This internship will expose qualified students to all aspects of collections management and curatorial research including but not limited to inventory, data entry and clean up, exhibition installation and de-installation (when applicable), object movement and tracking, scholarship of artwork and artists and reference library research and maintenance. This is an intensive experience for someone interested in pursuing a career as a curator or collections manager.

Candidates should be proficient in Microsoft Word and Excel and possess impeccable research skills and knowledge of various citation methodologies. Candidates must have strong writing skills, the ability to work independently, be well organized and good at communicating as part of a team.
